Dear Mr. Burrows:

Thank you for your recent letter reporting the reception of our station in New Jersey. You were absolutely correct in your account.

We appreciate so much your taking the time to write and let us know about our signal. We are a 10,000 watt AM station playing all gospel music and concentrating on the news.

We are enclosing a copy of our coverage area and a bumper sticker for display.

May the Lord bless you!

Sincerely,

Suzanne M. Horton
Office Manager
